Sir,

Revision of scale of the establishment, Maddur Municipality

I have the honour to enclose herein a copy of letter No. 36/46 dated 30-8-46, on the above subject together with a copy of the resolution of the Municipal Council, received from the President, Town Municipal Council, Maddur and to state that the Council have resolved that the pay and allowances of the Marginally noted staff

II Clerk on Rs.20-1-25 Allowance to Octroi manager Rs.3 P M Bill Collector on Rs.15 to Rs 20/- P M 1 Mohatarfa peon on Rs.10/- P M Octroi Peon on Rs.9/- to Rs.10/- P.M 2 Additional sweepers on Ps 10/- P M 1 Sanitary Inspector in grade Rs 35-2-55-4-87	of the Municipality may be revised, as the Municipality is converted into a

Town Municipality and much difficulty is felt to manage the office with the existing staff.

Necessary provision has been made in the current year's budget for all the items except for the appointment of a Sanitary - Inspector and one Mohatarfa peon on Rs 10/- P M The extra expenditure for appointing a Sanitary Inspector over and above the sanctioned scale of an Assistant Sanitary Inspector and the cost of appointing a Mohatarfa peon on Rs.10/- P M will have to be met out of the closing balance of the Municipality for this year.

In the above circumstances, I request you kindly to obtain sanction of Government to the revision and enhancement of the pay and allowances of the staff of the Maddur Municipality, as recommended by the President,. A proposition statement in the prescribed form is enclosed

Re Revision of scale of the establishment of the Town - Municipal Office, Maddur.

--

In submitting herewith the resolution of the Municipal - Council, regarding the above subject, along with the proposition - Statement, I beg to state that due provision is made in the sanctioned budget of the current year for all the items except for the Sanitary Inspector instead of Assistant Sanitary Inspector.

As the Municipal Council is converted into a Town - Municipality, much difficulty is felt to manage the office with a single clerk. Therefore, it is resolved to appoint a Second clerk in grade 20 1-25.

The Octroi Manager has to look after the work both in Shivapur and Maddur Therefore, it is necessary to have a cycle Hence an allowance of Rs.3/- per month is provided.

As the post of the Bill Collector is Rs 15/- now, it is not possible to have a fully qualified hand in this scale for the proper maintenance of Mohatarfa accounts. Therefore, provision is made to raise the scale of the post to Rs.20/-

At present, there is no peon for the collection of Mohatarfa. A peon on Rs.10/- is provided.

It is resolved to raise the scale of the Octroi peon to Rs.10/- from Rs.9/- as the scale of the other peons are Rs 10/-

As this is a Town Municipality, it is resolved to have a Sanitary Inspector instead of Assistant Sanitary Inspector as per kind orders of the Deputy Commissioner in his memo No M5 C 236/46 dated 8th August 1946 The extra expenditure that has to be incurred by the revision of this scale will have to be met out of the closing balance of the Municipality for the current year.

The existing conservancy staff consists of 15 sweepers. As this is inadequate, two more sweepers has been provided on Rs.

have

Rs.10/- each.

As the above arrangements are very necessary, it is submitted that the Government may kindly be addressed in the matter of sanctioning these proposals early.
